

## DESCRIPTION

Elevated seats are designed to assist the user when sitting and standing. Bemis Independence takes this to a new level with the Snap 2 Secure™ installation system and our unmatched seat security. The system prevents loosening and wiggling during use, critical for any user who's mobility is compromised.

Seat security is not the only unique benefit the user will appreciate with their Bemis Independence seat. The performance, appearance and quality of the product is superior. See the Benefit List below to better understand all the ways our seats are better than anything else you can find.
